

precast georgian columns

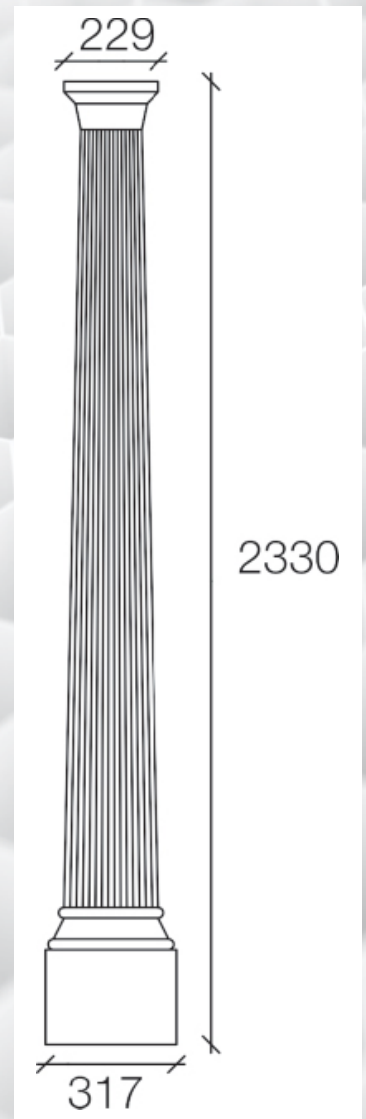

Killeshal Precast's Georgian-style columns are perfect for adding a touch of elegance to any entrance or veranda.

They are tapered from a base of 317mm to 229 at the top, adding an illusion of extra height.

Killeshal Precast Concrete Ltd. have been supplying the precast concrete components to the construction industry since 1969 and have a reputation for delivering quality concrete components and more across a wide range of product lines.

From Wall Caps and Window Sills to Line Drainage and Service Chambers, Bollards and Street Seating, Killeshal has it covered.
